

FALL MEETING AND 40-YEAR ANNIVERSARY 2024 - ROSERSBERGS SLOTT (www.rosersbergsslott.se)

Thursday Nov 14th: NMDSG Scientific meeting

(please mount posters upon arrival)

10.00 – 12.00	Meeting new NMDSG board (active from 16 November) <i>Participants TBD</i>
12:00-12:55	<u>Lunch</u>
<u>Symposium: From stem cells to proteins in myeloid neoplasms. Preliminary program</u>	
12.55-13.00	Welcome <i>Eva Hellström Lindberg</i>
13:00 - 13:30	Learning from patients – myeloid genomics and beyond <i>Elli Papaemmanuil, Memorial Sloan Kettering Cancer Center</i>
13.30 – 13.50	Exploring circular RNA expression in MDS <i>Eileen Donohue Wedge, Copenhagen</i>
13:50 - 14:20	New roles of “junk” small RNAs in fine tuning inflammation and development <i>Cristian Bellodi, Lund</i>
14:20 - 14:40	Clonal hematopoiesis and inflammatory diseases <i>Mikko Myllymäki, Helsinki</i>
14.40 - 15:10	Coffee <i>(check in from 15:00)</i>
15:10 - 15:40	TBD <i>Elsa Bernard, Gustave Roussy, Paris?</i>
15:40 - 16:00	TBD <i>tbd from submitted titles</i>
16.00 – 16.30	Targeting MDS stem cells: lessons from basic and clinical studies <i>Petter Woll, Stockholm</i>
16.30 – 17.00	Multimomics of splice factor-mutant myeloid neoplasms traces the functional impacts of RNA mis-splicing <i>Pedro Moura, Stockholm</i>
17:00 - 18:00	Free time
18:00 - 19:30	Poster session, drinks and snacks
19:30	Dinner

FALL MEETING AND 40-YEAR ANNIVERSARY 2024 - ROSERSBERGS SLOTT (www.rosersbergsslott.se)

Friday Nov 15th: NMDSG Clinical investigations

07:00 - 08:30 **Breakfast** (*check out by 10:00*)

SESSION 1: Chair: TBA

08:30 - 09:00

Towards precision medicine for higher-risk MDS and MDS-like AML
Bjorn Tore Gjertsen, Bergen

09:00 - 09:30

NMDSG 14B:2 study
Magnus Tobiaasson

09:30 - 09:50

Stem cell transplantation for MDS – challenges 2024?
Andreas Björklund

09.50 – 10.15

Two research proposals for DDX41 mutated MDS and AML
Jörg Cammenga, Andreas Björklund, and Anna Tranberg

10.15 – 10.30

Discussion

10:30 - 11:00

Coffee

SESSION 2: Chair: TBA

11:00 - 11:30

NMDSG NMDSG19A / EVI-3 Vit C study
Stine Ulrik Mikkelsen

11:30 - 12:00

Updated guidelines for germline predisposition to myeloid malignancies
Panagiotis Baliakas

12:00 - 13:00

Lunch

SESSION 3: TBA Chair: TBA

13:00 – 13:45

VEXAS – an overview and planned Nordic study
Jacob Werner Hansen, Copenhagen

13:45 - 14:15

New Nordic guidelines for clonal hematopoiesis
Niklas Landberg Lund, Maria Creignou Stockholm

14:15 – 15:15

Summary and presentation of the new NMDSG board
New NMDSG chair

15:15 -

Coffee and farwell
